CLASS FIVE  
Powerful Flushing Technology

Aerolyne 996 dual  
flush with Class Five flushing

KOHLER's aerolyne 996 dual flush toilet with Class Five flushing technology is the most powerful flushing technology in the world. It's the only toilet that can flush a 3.5 lb. brick.

## Since 1873

Since 1873, Kohler has been a leader in the industry, providing innovative and high-quality products that have transformed the way we live. From the first porcelain toilet to the first bidet, Kohler has always been at the forefront of innovation. Today, we continue to lead the way with our advanced water-saving technologies and our commitment to sustainability.
